Specifications	
SKU:	SHRTPF2T
Description:	Ezyrail - Mid/Top Rail 2 Metre Length - Timber Look
Diameter:	48mm O/D (40NB)
Wall Thickness:	3mm
Length:	2000mm
Finish:	Timber Look Coating
Material:	Carbon Steel
Finish Material:	Heat wood grain transfer film - Substrate: PET (polyester) plastic film - Pattern layer: Environmentally friendly printing ink - Bonding layer: Hot-melt thermal transfer adhesive
Warranty:	Standard 12 months manufacturers warranty

Forms a 2 metre pipe after assembly (measured centre to centre.) Easy to join, adjust and put together, use this to join EzyRail stanchions or parts together.

The Timber Look finish combines the natural aesthetics of wood with the durability and low maintenance of steel, offering a warm and sophisticated appearance without compromising on strength.
